Effective November 2006

Chuck has requested all operators in GC/MS to stop saving personal copies of control sheets, tunes and batch sheets. Original control sheet will be returned to the primary chemist. A copy will still need to be saved in the GC/MS lab. Original tunes will be saved in a GC/MS binder for QC and a copy will also be saved with the GC/MS hardcopy as usual. The original batch sheet will only be saved in the GC/MS lab.
